Criteria For Application

- Must be an elected municipal judge.
- Must be a municipal judge within the confines of the State of New Mexico.
- Must be a member of the New Mexico Municipal Judges Association.
- Submit applicant's biographical data to include: any previous classes pertaining to education as a municipal judge, including schools attended, date, course name and grade at completion (if applicable); accomplishments and memberships; training or class desired; location of classes and cost of classes; per diem; estimated or real travel expenses; and if your jurisdiction will supplement this grant. Be brief.
- The Association's Scholarship program is a reimbursement program. With very few exceptions, recipients must pay for a majority of the expense and then will be reimbursed by the Association.

All applications will be evaluated on merit and need. Please include all information you wish to be evaluated by.

These scholarships grants are for the continuing education and edification of our members. Include yourself and apply for additional training. We are here to assist you in YOUR education
