Those county precinct maps determined not to be in compliance with the precinct boundary criteria set forth in Subsection A of Section 1-3-12 NMSA 1978 shall be rejected and returned to the appropriate county clerk with a written statement setting forth those instances in which the map does not comply. The county clerk and the board of county commissioners shall make the required adjustments and resubmit one copy of the corrected county precinct map within thirty days after receiving notice of noncompliance.

B. Section 1-4-1. Registration required.

No person shall vote at any election unless he is registered as required by the Election Code [Chapter 1 NMSA 1978]. No ballot of any unregistered or otherwise unqualified elector shall be cast, counted or canvassed.

History: 1953 Comp., § 3-4-1, enacted by Laws 1969, ch. 240, § 59.

Section 1-4-1.1. Authorization to verify voter registration information; investigation and reconciliation.

A. The secretary of state may:

(1) provide to the chief election officer of another state or a consortium of chief election officers of other states information that is requested, including social security numbers, dates of birth, driver's licenses and identification card numbers and other information that the secretary of state deems necessary for the chief election officer of that state or for the consortium to maintain a voter registration list, if the secretary of state is satisfied that the information provided pursuant to this paragraph will be used only for the maintenance of that voter registration list; and

(2) request from the chief election officer of another state or a consortium of chief election officers of other states information that the secretary of state deems necessary to maintain the statewide voter registration list.

B. The secretary of state may enter into a written agreement with an agency or political subdivision of this state or with a department of the federal government pursuant to which the state agency, political subdivision or federal department shall provide to the secretary of state information that is in the possession of the state agency, political subdivision or federal department and that the secretary of state deems necessary to maintain the statewide voter registration list.

C. The secretary of state may enter into a written agreement with the secretary of taxation and revenue to match information in the database of the voter registration electronic management system with information in the database of the motor vehicle division of the taxation and revenue department to the extent required to enable each official to verify the accuracy of the information provided on applications for voter registration. Upon the execution of the written agreement, the secretary of taxation and revenue shall enter into an agreement with the federal commissioner of social security pursuant to 42 U.S.C. Section 15483 (now 52 U.S.C. Section 21083), for the purpose of verifying applicable information.
D. The secretary of state shall provide to the appropriate county clerk in this state and to no other person necessary information or documentation received by the secretary of state from or through an agency or political subdivision of this state, a federal department, the chief election officer of another state or a consortium of chief election officers of other states that calls into question the information provided on a certificate of registration; that raises questions regarding the status of a person registered to vote in this state; or that suggests that a voter may have voted in two states during the same election. The county clerk shall only disclose information received from the secretary of state pursuant to this subsection to complete an investigation pursuant to this section.

E. The county clerk shall investigate or reconcile the information received from the secretary of state. The secretary of state shall develop and maintain a manual for county clerks that describes best practices in investigating and reconciling information that is derived from comparisons of different databases, including safeguards to ensure that eligible voters are not removed in error from the official list of voters.

Section 1-4-2. Qualification for registration; right to vote in primary.

A. Any resident of New Mexico who will be a qualified elector at the date of the next ensuing general election shall be permitted within the provisions of the Election Code to register and become a voter.

B. If a person who is seventeen years old will be a qualified elector on the day of the general election and registers to vote in accordance with the provisions of Subsection A of this section, for the purposes of the primary election, that person shall be considered to be a voter and may vote in the primary election immediately preceding that general election.

Section 1-4-3. Registration declared permanent.

The registration of a qualified elector is permanent for all purposes during the life of such person unless and until his certificate of registration is canceled for any cause specified in the Election Code [Chapter 1 NMSA 1978].

Section 1-4-4. Fees and charges prohibited.

No qualified elector shall be charged any fee or required to pay any sum whatsoever by any registration officer for performance of a duty required of him by the Election Code [Chapter 1 NMSA 1978] in connection with registration.

History: 1953 Comp., § 3-4-4, enacted by Laws 1969, ch. 240, § 62.

Section 1-4-5. Method of registration; unlawful use of information; penalty.

A. A qualified elector may apply to a registration officer or agent for registration.
B. The registration officer or agent or qualified elector shall fill out each of the blanks on the certificate of registration by typing or printing in ink. The qualified elector shall be given a receipt that shall contain:

1. a number traceable to the registration agent or officer;
2. a statement informing the qualified elector that if the qualified elector does not receive confirmation of the qualified elector's registration within fifteen days of the receipt date, the qualified elector should contact the office of the county clerk in the county where the qualified elector resides; and
3. a toll-free number for the office of the county clerk and an address for the web site of the secretary of state.

C. The qualified elector shall subscribe a certificate of registration as follows:

1. by signing the certificate of registration using the qualified elector's given name, middle name or initial and last name; or
2. if any qualified elector seeking to register is unable to read and write either the English or Spanish language or is unable to read or write because of some physical disability, the certificate of such person shall be filled out by a registration officer or agent and the name of the qualified elector so registering shall be subscribed by the making of the qualified elector's mark.

D. When properly executed by the registration agent or officer or qualified elector, the original of the certificate of registration shall be presented, either in person or by mail by the qualified elector or by the registration agent or officer, to the county clerk of the county in which the qualified elector resides. It is unlawful for the qualified elector's month and day of birth or any portion of the qualified elector's social security number required on the certificate of registration to be copied, conveyed or used by anyone other than the person registering to vote, either before or after it is filed with the county clerk, and by elections administrators in their official capacity.

C. Except as provided in Subsection D of this section, a qualified elector who wishes to register to vote shall fill out completely and sign the certificate of registration. The qualified elector may seek the assistance of any person in completing the certificate of registration.
D. A qualified elector who has filed for an order of protection pursuant to the provisions of the Family Violence Protection Act [Chapter 40, Article 13 NMSA 1978] and who presents a copy of that order from a state or tribal court to the registration officer shall not be required to provide physical residence address information on the certificate of registration.

E. Completed certificates of registration may be mailed or presented in person by the registrant or any other person to the secretary of state or presented in person by the registrant or any other person to the county clerk of the county in which the registrant resides.

F. If the registrant wishes to vote in the next election, the completed and signed certificate of registration shall be delivered or mailed and postmarked at least twenty-eight days before the election.

G. Within one business day after receipt of a certificate of registration, the secretary of state shall send the certificate to the county clerk in the county where the qualified elector resides. Within one business day after receipt of a certificate of registration of another county, a county clerk shall send the certificate of registration to the county clerk in the county where the qualified elector resides.

H. Only when the certificate of registration is properly filled out, signed by the qualified elector and accepted for filing by the county clerk as evidenced by the county clerk's signature or stamp and the date of acceptance thereon shall it constitute an official public record of the registration of the qualified elector. A qualified elector complies with a voter registration deadline established in the Election Code when a properly filled-out voter registration certificate has been received by a county clerk or the secretary of state, regardless of the date the certificate is processed.

I. The secretary of state shall prescribe the form of the certificate of registration, which form shall be a postpaid mail-in format and shall be printed in Spanish and English. The certificate of registration form shall be clear and understandable to the average person and shall include brief but sufficient instructions to enable the qualified elector to complete the form without assistance. The form shall also include:

   (1) the question "Are you a citizen of the United States of America?" and boxes for the applicant to check to indicate whether the applicant is or is not a citizen;

   (2) the question "Will you be at least eighteen years of age on or before the next general election?" and boxes for the applicant to check to indicate whether the applicant will be eighteen years of age or older on or before the next general election;

   (4) a statement informing the applicant that:

      (a) if the form is submitted by mail by the applicant and the applicant is registering for the first time in New Mexico, the applicant must submit with the form a copy of: 1) a current and valid photo identification; or 2) a current utility bill, bank statement, government check, paycheck, student identification card or other government document, including identification issued by an Indian nation, tribe or pueblo, that shows the name and current address of the applicant; and
(b) if the applicant does not submit the required identification, the applicant will be required to do so when voting in person or absentee; and

D. The certificate form may be multipurpose by providing for an indication of whether the certificate of registration is for a new registration, a change in the existing registration or a
cancellation of an existing registration. Provision shall be made on any multipurpose form for entry of any existing registered information for which a change may be requested.

E. The certificate of registration forms shall be serially numbered and shall be furnished promptly and in adequate supply by the secretary of state upon application from the county clerk.

Section 1-4-5.5. Requests for voter data, mailing labels or special voter lists.

A. The county clerk or secretary of state shall furnish voter data, mailing labels or special voter lists only upon written request to the county clerk or the secretary of state and after compliance with the requirements of this section; provided, however, all requesters shall be treated equally in regard to the charges and the furnishing of the materials.

B. Any person, organization or corporation or agent, officer, representative or employee thereof who commits unlawful use of voter data, mailing labels or special voter lists is guilty of a fourth degree felony and upon conviction shall be fined one hundred dollars ($100) for each and every line of voter information that was unlawfully used.

C. The county clerk shall reject any certificate of registration that does not contain the qualified elector's name, address, social security number and date of birth, along with a signature or usual mark. The county clerk shall reject any certificate of registration in which the question regarding citizenship is not answered or is answered in the negative.

The county clerk shall not process certificates of registration when the registration books are closed pursuant to Section 1-4-8 NMSA 1978, during the county canvass or during the period of time following the county canvass when voter credit is entered into the voter registration electronic management system, provided such credit is entered for all voters no later than forty-five days following an election.

Section 1-4-17. Registration; change of residence within same county.

A. A voter who has changed his residence within the same county shall complete a certificate of registration to change his registered residence address or file a change of residence notification with the county clerk on a postcard-type form, approved by the secretary of state.

B. No change of registered residence address shall be made in any period during which registration is closed; however, the county clerk may accept applications for or notifications of such change but shall not process them until the registration period is open.

C. The application for or notification of change of registered residence shall be filed with the county clerk, and the previous registration shall be retained for six years in a file established for that purpose.
Section 1-4-18. Change of registered residence to another county.

When a voter changes the voter's registered residence address from one county in this state to another county in this state, the voter shall complete a new certificate of registration and file it with the appropriate county clerk.

Section 1-4-18.1. Online voter registration.

A. A person may complete a certificate of registration in person or by mail. In addition, the secretary of state shall, not later than January 1, 2016, allow a voter to submit an update to an existing certificate of registration and, not later than July 1, 2017, allow a qualified elector to submit a new certificate of registration form electronically through a web site authorized by the secretary of state or through any computer system maintained by a state agency for electronic voter registration that is approved by the secretary of state; provided that the person is qualified to register to vote and has a current or expired New Mexico driver's license or state identification card issued by the motor vehicle division of the taxation and revenue department.

B. An online certificate of registration form shall contain all of the information that is required for a paper form. The person shall also be required to provide the person's full New Mexico driver's license number or state identification card number.

C. When a person submits a new certificate of registration or an update to an existing certificate of registration, the person shall mark the box associated with the following statement included as part of the electronic certificate of registration form:

"By clicking the boxes below, I swear or affirm all of the following:
   [] I am the person whose name and identifying information is provided on this form, and I desire to register to vote in the state of New Mexico; and
   [] all of the information that I have provided on this form is true and correct as of the date I am submitting this form."

D. Prior to January 1, 2016, the secretary of state, in conjunction with the county clerks of the state, shall adopt rules establishing a uniform and nondiscriminatory process to match the information contained in the voter registration election management system with the database of the motor vehicle division of the taxation and revenue department or the federal social security administration for electronic certificates of registration updates completed pursuant to this section.

Section 1-6-1. Absent Voter Act; short title.

Chapter 1, Article 6 NMSA 1978 may be cited as the "Absent Voter Act".

Section 1-6-2. Repealed.

Section 1-6-3. Right to vote by absentee ballot.

A voter may vote by absentee ballot for all candidates and on all questions appearing on the ballot as if the voter were able to cast the ballot in person.

Section 1-6-4. Absentee ballot application.

A. Application by a voter for an absentee ballot shall be made only on a paper form or its electronic equivalent as prescribed by the secretary of state. The form shall identify the applicant and contain information to establish the applicant's qualification for issuance of an absentee ballot under the Absent Voter Act; provided that on the application form for a general election ballot there shall be no box, space or place provided for designation of the voter's political party affiliation.

B. Each application for an absentee ballot shall be signed by the applicant and shall require the applicant's printed name, registration address and year of birth to be supplied by the applicant, which shall constitute the required form of identification, except for new registrants who have registered by mail and at that time did not provide acceptable identification. The secretary of state shall issue rules to exempt voters from submitting identification only as required by federal law and shall review and, if necessary, update these rules no later than March 15 of even-numbered years.

C. A person who willfully and with knowledge and intent to deceive or mislead any voter, precinct board, canvassing board, county clerk or other election official and who falsifies any information on an absentee ballot request form or who affixes a signature or mark other than the person's own on an absentee ballot request form is guilty of a fourth degree felony.

Section 1-6-4.1. Repealed.

Repeals. — Laws 2015, ch. 145, § 101 repealed 1-6-4.1 NMSA 1978, as enacted by Laws 1987, ch. 327, § 9, relating to federal and state write-in absentee ballot for overseas voters in general elections for state or federal offices, effective July 1, 2015. For provisions of former section, see the 2014 NMSA 1978 on NMOneSource.com.

Section 1-6-4.2. Repealed.

Section 1-6-4.3. Third party agents collecting absentee ballot applications.

A. A person or organization that is not part of a government agency and that collects absentee ballot applications shall submit the applications to the appropriate office for filing within forty-eight hours of their completion or the next business day if the appropriate office is closed for that forty-eight-hour period.

B. A person who collects absentee ballot applications and fails to submit a voter's completed absentee ballot application is guilty of a petty misdemeanor.

C. A person who intentionally alters another voter's completed absentee ballot application is guilty of a fourth degree felony.

Section 1-6-5. Processing application; issuance of ballot.

A. The county clerk shall mark each completed absentee ballot application with the date and time of receipt in the clerk's office and enter the required information in the absentee ballot register. The county clerk shall then determine if the applicant is a voter, and if the voter is a uniformed-service voter or an overseas voter. If the applicant is a uniformed-service voter or overseas voter, the application shall be processed pursuant to the Uniform Military and Overseas Voters Act [1-6B-1 through 1-6B-17 NMSA 1978].

B. If the applicant does not have a valid certificate of registration on file in the county, an absentee ballot shall not be issued and the county clerk shall mark the application "rejected" and file the application in a separate file from those accepted.

C. The county clerk shall notify in writing each applicant of the fact of acceptance or rejection of the application and, if rejected, shall explain why the application was rejected.

D. If the applicant has on file with the county a valid certificate of registration that indicates that the applicant is a voter who is a new registrant and who registered by mail without submitting the required voter identification, the county clerk shall notify the voter that the voter must submit with the absentee ballot the required physical form of identification. The county clerk shall note on the absentee ballot register and signature roster that the applicant's absentee ballot must be returned with the required identification.

E. If the applicant has on file with the county a valid certificate of registration, the county clerk shall mark the application "accepted" and, beginning twenty-eight days before the
election, deliver an absentee ballot to the voter in the county clerk's office or mail to the applicant an absentee ballot and the required envelopes for use in returning the ballot. An absent voter shall not be permitted to change party affiliation during those periods when change of party affiliation is prohibited by the Election Code. Upon delivery of an absentee ballot to a voter in the county clerk's office or mailing of an absentee ballot to an applicant who is a voter, an appropriate designation shall be made on the signature line of the signature roster next to the name of the voter who has been provided or mailed an absentee ballot.

F. Absentee ballots may be marked in person at the county clerk's office during the regular hours and days of business beginning on the twenty-eighth day preceding the election and from 10:00 a.m. to 6:00 p.m. on the Saturday immediately prior to the date of the election. The act of marking the absentee ballot in the office of the county clerk shall be a convenience to the voter in the delivery of the absentee ballot and does not make the office of the county clerk a polling place subject to the requirements of a polling place in the Election Code. If the county clerk establishes an additional alternate voting location near the clerk's office, absentee ballots may be marked in person at that location during the regular hours and days of business beginning on the twenty-eighth day preceding the election and during the hours for voting at alternate voting locations commencing on the third Saturday prior to the election through the Saturday immediately prior to the election. The additional alternate voting location shall be operated by the county clerk and the county clerk's staff.

G. When marking an absentee ballot in person at the county clerk's office, the voter shall provide the required voter identification to the county clerk or the clerk's authorized representative. If the voter does not provide the required voter identification, the voter shall be allowed to vote on a provisional ballot. If the voter provides the required voter identification, the voter, after subscribing an application for an absentee ballot, shall be allowed to vote by inserting the ballot into an optical scan tabulator certified for in-person absentee voting at the county clerk's office. The county clerk or the clerk's authorized representative shall make an appropriate designation indicating that the voter has voted absentee. In marking the absentee ballot, the voter may be assisted pursuant to the provisions of Section 1-12-15 NMSA 1978.

H. Absentee ballots shall be sent to applicants not later than on the Friday immediately prior to the date of the election.

I. An absentee ballot shall not be delivered or mailed by the county clerk to any person other than the applicant for such ballot.

J. The secretary of state and each county clerk shall make reasonable efforts to publicize and inform voters of the times and locations for absentee voting; provided, however, that notice is provided at least ten days before early voting begins.

K. The secretary of state shall establish procedures for the submittal, when required by federal law, of required voter identification with mailed-in absentee ballots.

L. It is unlawful to electioneer in the county clerk's office or in any alternate voting location.

(7) be in a location that is accessible and compliant with the requirements of the federal Americans with Disabilities Act of 1990.
E. When voting early, the voter shall provide the required voter identification to the county clerk or the clerk's authorized representative. If the voter does not provide the required voter identification, the voter shall be allowed to vote on a provisional ballot. If the voter provides the required identification, the voter shall be allowed to vote after subscribing an application to vote on a form approved by the secretary of state. The county clerk or the clerk's authorized representative shall make an appropriate designation on the signature roster or register next to the voter's name indicating that the voter has voted early.

Section 1-6-5.8. Early voting; Native American early voting locations.

Such transmissions shall be made once each week beginning four weeks immediately prior to the election. A final copy shall be transmitted on the Saturday immediately following the election.

F. If the county clerk has available the technology to do so, at the request of a candidate or chair of a political party of the county, the county clerk shall electronically transmit to the candidate or chair via the internet the information, when updated, on the absentee ballot register indicating voters who have requested absentee ballots, returned their absentee ballots or voted early in person.

A. Before opening an official mailing envelope, the presiding judge and the election judges shall determine that the required information has been completed on the reverse side of the official mailing envelope.

B. If the voter's signature is missing, the presiding judge shall write "Rejected" on the front of the official mailing envelope. The judge or election clerk shall enter the voter's name in the signature rosters or register and shall write the notation "Rejected--Missing Signature" in the "Notations" column of the signature rosters or register. The presiding judge shall place the official mailing envelope unopened in an envelope provided for rejected ballots, seal the envelope and write the voter's name on the front of the envelope and deposit it in the locked ballot box.

C. A lawfully appointed challenger may view the official mailing envelope and may challenge the ballot of any absent voter for the following reasons:
   (1) the official mailing envelope has been opened by someone other than the voter prior to being received by the absent voter precinct board;
   (2) the official mailing envelope does not contain a signature; or
   (3) the person offering to vote is not a voter as provided in the Election Code [Chapter 1 NMSA 1978].

D. If a challenge is upheld by unanimous vote of the presiding judge and the election judges, the official mailing envelope shall not be opened but shall be placed in an envelope provided for challenged ballots. If the reason for the challenge is satisfied by the voter before the conclusion of the county canvass, the official mailing envelope shall be opened and the vote counted. The same procedure shall be followed in canvassing and determining the validity of challenged absentee ballots as with other challenged ballots.

E. If the official mailing envelope has been properly subscribed and the voter has not been challenged:
   (1) the judges or election clerks shall enter the absent voter's name and residence address as shown on the official mailing envelope in the signature rosters and shall mark the notation "AB" opposite the voter's name in the "Notations" column of the signature rosters or register; and
   (2) only between 8:00 a.m. and 10:00 p.m. on the five days preceding election day, including Saturday and Sunday, and beginning at 7:00 a.m. on election day, under the personal supervision of the presiding election judge, shall the election judges open the official mailing envelope and the official inner envelope and insert the enclosed ballot into an electronic voting machine to be registered and retained until votes are counted and canvassed following the closing of the polls on election night.

F. It is unlawful for a person to disclose the results of a count and tally or the registration on a voting machine of absentee ballots prior to the closing of the polls.

G. Absentee ballots shall be counted and tallied, where possible, on an electronic voting machine as provided in the Election Code.

H. Absent voter precinct polls shall close in accordance with Section 1-6-23 NMSA 1978, and the results of the election shall be certified as prescribed by the secretary of state.
I. If an absentee ballot does not contain the identification required pursuant to Subsection D of Section 1-6-5 NMSA 1978, it shall be handled as a provisional paper ballot in accordance with the Election Code.

Section 1-6-15. Canvass; recount or recheck; disposition.

If voting machines are not used to register absentee ballots, the absentee ballots shall be canvassed, recounted and disposed of in the manner provided by the Election Code [Chapter 1 NMSA 1978] for the canvassing, recounting and disposition of paper ballots. If voting machines are used to register absentee ballots, the ballots shall be canvassed and rechecked in the manner provided by the Election Code for the canvassing and recheck of ballots cast on a voting machine; provided, in the event of a contest, voting machines used to register absentee ballots shall not be rechecked but the absentee ballots shall be recounted in the manner provided by the Election Code for the recounting of paper ballots. As used in this section, "voting machines" means electronic voting machines as provided in the Election Code.

Section 1-6-16. Casting ballot in person prohibited.

A. No person who has been issued an absentee ballot shall vote in person other than on a replacement absentee ballot.

B. At any time prior to 5:00 p.m. on the Monday immediately preceding the date of the election, a person whose absentee ballot application has been accepted and who was mailed an absentee ballot but who has not received the absentee ballot may execute, in the office of the county clerk or at an alternate voting location in the county where the voter is registered to vote, during operational hours, a sworn affidavit stating that the person did not receive or vote the absentee ballot. Upon receipt of the sworn affidavit, the county clerk shall issue the voter a replacement absentee ballot.

C. Replacement absentee ballots shall be delivered to the absent voter precinct board for tabulation and shall not be placed in a voting system for tabulation of votes cast at the office of the county clerk or at an alternate voting location.

D. The secretary of state shall prescribe the form of the affidavit and the manner in which the county clerk shall void the first ballot mailed to the applicant.

Section 1-6-16.1. Absentee ballot; conduct of election; when not timely received; emergency procedure for voting and counting.

A. A voter who applies for an absentee ballot but has not received the absentee ballot by mail as of the date of the election may go to the voter's assigned polling place and, after executing an affidavit of nonreceipt of absentee ballot, shall be permitted to vote on a replacement absentee paper ballot.

B. The completed ballot shall be placed in an official inner envelope substantially as prescribed by Section 1-6-8 NMSA 1978 and sealed. The official inner envelope shall then be placed in an official envelope substantially as prescribed for a transmittal envelope or mailing envelope in Section 1-6-8 NMSA 1978. This envelope shall contain a form on its back that identifies the voter by name and signature roster number and a printed statement to the effect that the voter made application for an absentee ballot but had not received it as of the date of the election and is permitted to vote by replacement absentee paper ballot.

C. The presiding judge shall put all replacement absentee ballots in a special envelope provided for that purpose by the county clerk, seal it and return it to the county clerk along with the machine tally sheets. The sealed envelope shall not be put in the locked ballot box.

D. Upon receipt of the envelope containing replacement absentee ballots, the county clerk, no later than forty-eight hours after the close of the election, shall remove the transmittal envelopes and, without removing or opening the inner envelopes, determine that:

(1) the voter did in fact make application for an absentee ballot; and

(2) no absentee ballot was received by the county clerk from the voter by 7:00 p.m. on election day.

E. Upon making that determination, the county clerk shall remove the inner envelope without opening it, retain the transmittal envelope with the other election returns and place the inner unopened envelope in a secure container to be transmitted to the county canvassing board to be tallied and included in the canvass of that county for the appropriate precinct.

F. The secretary of state shall prescribe and furnish the necessary envelopes for purposes of this section and shall adopt rules deemed necessary to preserve the secrecy of the replacement absentee paper ballots.

Section 1-6-16.2. Additional emergency procedure for voting.

A. After the close of the period for requesting absentee ballots by mail, any voter who is unable to go to the polls due to unforeseen illness or disability resulting in the voter's confinement in a hospital, sanatorium, nursing home or residence and who is unable to vote in person may request in writing that a provisional paper ballot be made available to the voter. The written request shall be signed by the voter and a health care provider under penalty of perjury.

B. The provisional paper ballot shall be made available by the county clerk of the county in which the voter resides to any authorized representative of the voter who through the representative has presented the written request to the office of the county clerk.
C. Before releasing the provisional paper ballot, the county clerk shall compare the signature on the written request with the signature on the voter's affidavit of registration. If the county clerk determines that the signature on the written request is not the signature of the voter, the county clerk shall reject the request for a provisional paper ballot.

D. The voter shall mark the provisional paper ballot, place it in an identification envelope, fill out and sign the envelope and return the ballot to the office of the county clerk of the county in which the voter resides no later than the time of closing of the polls on election day. A provisional paper ballot issued pursuant to this section shall be qualified and tabulated once the county clerk determines that the person did not cast any other ballot and if no challenge is successfully interposed.

B. If a precinct is designated a mail ballot election precinct, in addition to the notice required pursuant to Section 1-3-8 NMSA 1978, the county clerk shall notify by mail with delivery confirmation all voters in that precinct at least forty-two days before an election that each voter will be sent an absentee ballot twenty-eight days before the election and that there will be no polling place for the precinct on election day. Section 1-7-2. Qualification; removal; requalification.

A. To qualify as a political party in New Mexico, each political party through its governing body shall adopt rules providing for the organization and government of that party and shall file the rules with the secretary of state. Uniform rules shall be adopted throughout the state by the county organizations of that party, where a county organization exists, and shall be filed with the county clerks. At the same time the rules are filed with the secretary of state, the governing body of the political party shall also file with the secretary of state a petition containing the hand-printed names, signatures, addresses of registration and counties of residence of at least one-half of one percent of the total votes cast for the office of governor at the preceding general election who declare by their signatures on the petition that they are voters of New Mexico and that they desire the party to be a qualified political party in New Mexico. Blank petition forms shall be available at any time from the secretary of state.

B. Each county political party organization may adopt supplementary rules insofar as they do not conflict with the uniform state rules or do not abridge the lawful political rights of any person. Such supplementary rules shall be filed with the county clerk and the secretary of state in the same manner as other rules are filed.

C. A qualified political party shall cease to be qualified for the purposes of the Election Code [Chapter 1 NMSA 1978] if two successive general elections are held without at least one of the party's candidates on the ballot or if the total votes cast for the party's candidates for governor or president of the United States, provided that the party has a candidate seeking election to either of these offices, in a general election do not equal at least one-half of one percent of the total votes cast for the office of governor or president of the United States, as applicable. No later than March 15 of an odd-numbered year, the secretary of state shall send notice of nonqualification to the state chair of any political party that fails to remain qualified. The notice shall be delivered by
registered mail to the last known address of the state chair of the political party, and a copy shall be kept in the secretary of state's file of parties qualified in New Mexico.

D. The secretary of state shall then notify all county clerks of the removal and nonqualification of the political party and shall post the notice on the web site maintained by the secretary of state. The secretary of state shall within forty-five days notify by mail all voters registered as members of such party of the removal and nonqualification of the party.

E. To requalify, the party shall again comply with the provisions of the Election Code dealing with filing requirements for political parties.

Section 1-7-3. Rules and regulations; contents.

Each political party shall file its rules and regulations, along with petitions containing the required number of signatures, if the signature provision is applicable to the party, within thirty days after its organization and no later than twenty-three days after the primary election before any general election in which it is authorized to participate.

B. Within seven days after the filing of the political party's rules and qualifying petitions, the secretary of state shall notify the political party whether the rules and qualifying petitions are in proper order and that the party has qualified. The secretary of state shall notify all
county clerks in the state of the qualification of that political party and post notice of qualification on the secretary of state's web site.

C. Political parties filing rules and regulations with the county clerk shall pay the standard filing fee.

Section 1-7-5. Rules and regulations; amendment.

Political party rules and regulations filed as required by the Election Code [Chapter 1 NMSA 1978] are subject to amendment only in the manner provided for in such rules and regulations. No amendments shall be made less than one hundred twenty days prior to any general election, nor shall any amendment be effective until thirty days after being filed. Amendments shall be filed in the same manner as original party rules and regulations are filed.

Section 1-7-6. Party name and emblem.

B. Any minor political party in New Mexico, as defined in Section 1-7-7 NMSA 1978, shall nominate candidates for public office in the manner prescribed in its party rules and regulations and according to the provisions of the Election Code [Chapter 1 NMSA 1978].

**History:** 1953 Comp., § 3-8-1, enacted by Laws 1969, ch. 240, § 151; 1975, ch. 255, § 99; 2003, ch. 300, § 1; 2014, ch. 40, § 2; 2014, ch. 81, § 2.

**Section 1-8-2. Nomination by minor political party; convention-designated nominees.**

A. If the rules of a minor political party require nomination by political convention:

1. the chair and secretary of the state political convention shall certify to the secretary of state the names of their party's nominees for United States senator, United States representative, all elective state offices, legislative offices elected from multicounty districts, the public regulation commission, all elective judicial officers in the judicial department and all offices representing a district composed of more than one county; and

2. the chair and secretary of the county political convention shall certify to the county clerk the names of their party's nominees for elected county offices and for legislative offices elected from a district located wholly within one county or that is composed of only one county.

B. The names certified to the secretary of state shall be filed on the twenty-third day following the primary election in the year of the general election and shall be accompanied by nominating petitions containing the signatures of voters totaling not less than one percent of the total number of votes cast for governor at the last preceding general election at which a governor was elected:

1. in the state for statewide offices; and

2. in the district for offices other than statewide offices.

The petition shall contain a statement that the voters signing the petition are residents of the area to be represented by the office for which the person being nominated is a candidate.

C. The names certified to the county clerk shall be filed on the twenty-third day following the primary election in the year of the general election and shall be accompanied by a nominating petition containing the signatures of voters totaling not less than one percent of the total number of votes cast for governor at the last preceding general election at which a governor was elected:

1. in the county for countywide offices; and

2. in the district for offices other than countywide offices.

The petition shall contain a statement that the voters signing the petition are residents of the area to be represented by the office for which the person being nominated is a candidate.

D. Except in the case of a political party certified in the year of the election, persons certified as candidates shall be members of that party on the day the governor issues the primary election proclamation.

E. When a political party is certified in the year of the general election, and after the day the governor issues the primary election proclamation, a person certified as a candidate shall be:
(1) a member of that party not later than the date the political party filed its rules and qualifying petitions pursuant to Sections 1-7-2 and 1-7-4 NMSA 1978; and

No person who is a candidate for a party in a primary election may be certified as a candidate for a different party in the general election in the same election cycle.

F. No voter shall sign a petition prescribed by this section for more persons than the number of candidates necessary to fill the office at the next ensuing general election.

Section 1-8-3. Nomination by minor political party; other methods.

If the rules and regulations of a minor political party require nomination by a method other than a political convention:

B. the county chairman and the governing board of the county party shall certify to the county clerk the names of their party's nominees for elected county offices and for legislative offices elected from a district located wholly within one county or that is composed of only one county; and

C. the names of such nominees shall be filed in the same time and manner prescribed by the Election Code [Chapter 1 NMSA 1978] for convention-designated nominees of minor political parties, and each list of names certified shall be accompanied by the petition containing a list of signatures and addresses of voters as prescribed for convention-designated nominees.

Section 1-8-3.1. Nominating petition for candidate of an unqualified state political party; qualification as an independent candidate.

The declaration of candidacy and petition signatures submitted to the proper filing officer by a candidate for nomination as a minor party candidate shall be counted toward the requirements for qualification as an independent candidate for the same office in the same election if the candidate's party files for, but does not obtain status as, a qualified political party in that election cycle. To qualify as an independent candidate, the candidate must meet all requirements for an independent candidate in Section 1-8-45 NMSA 1978 and submit the required number of petition signatures for an independent candidate as prescribed in Section 1-8-51 NMSA 1978. No candidate may circulate petitions for candidacy for more than one political party in an election cycle.
Section 1-8-4. Secretary of state; certification of nominees; minor political party.

A. Upon receipt of certificates of nomination of any minor political party and nominating petitions, and no later than 5:00 p.m. on the first Tuesday following the filing date, the proper filing officer shall:

1. determine whether the method of nomination used by the certifying political party complies with the current rules of that party on file in the secretary of state's office;

2. determine whether the number of signatures required have been submitted and all the requirements of Sections 1-8-1 through 1-8-3 NMSA 1978 have been complied with; and

3. if such determinations are answered in the affirmative, mail notice to the certifying party and the candidate no later than 5:00 p.m. on the Tuesday following the filing date that the certificates of nomination and nominating petitions are in proper order and that the candidate, based on those documents, is qualified to have the candidate's name placed on the ballot.

B. If a minor political party candidate is notified by the proper filing officer that the candidate is not qualified to have the candidate's name appear on the ballot, the candidate may challenge the decision by filing a petition with the district court within ten days of the notification. The district court shall hear and render a decision on the matter within ten days after the petition is filed. The decision of the district court may be appealed to the supreme court within five days after the decision is rendered. The supreme court shall hear and render a decision no later than sixty-three days prior to the general election.

C. Any voter may file a court action challenging a minor political party candidate's nominating petitions pursuant to the provisions of Section 1-8-35 NMSA 1978.

Immediately upon completion of their respective canvasses, the state and county canvassing boards shall certify to the county clerk the name of each person who has been nominated by each participating political party in the primary election, and the offices for which they have been nominated. The county clerk shall send a certified list of all persons so nominated to the secretary of state.

Section 1-8-6. Vacancy on primary ballot.

(1) the death of a candidate after filing of the declaration of candidacy or after certification as a convention-designated nominee and before the primary election; or

(2) the resignation or death of a person holding a public office after the last Friday before the first Tuesday in March, when such office was not included in the governor's proclamation and is required by law to be filled at the next succeeding general election after the vacancy is created.

B. The vacancy may be filled subsequent to the primary election by the central committee of the state or county political party, as the case may be, as provided by Subsection A of Section 1-8-8 NMSA 1978. The name of the person to fill the vacancy on the general election ballot shall be filed with the proper filing officer on a form approved by the secretary of state within fifteen days after the primary election, and when so filed, it shall be placed on the general election ballot as the political party's nominee for such office.

A. If after a primary election, but seventy or more days before the general election, a vacancy occurs, for any cause, in the list of the nominees of a qualified political party for any public office to be filled in the general election, or a vacancy occurs because of the resignation or death of a person holding a public office not included in the governor's proclamation and which office is required by law to be filled at the next succeeding general election, or a vacancy occurs because a new public office is created and was not included in the governor's proclamation but is capable by law of being filled at the next succeeding general election, the vacancy on the general election ballot may be filled by:

(1) the central committee of the state political party filing the name of its nominee for the office with the proper filing officer when the office is a federal office, state office, district office or multicounty legislative district office; and

(2) the central committee of the county political party filing the name of its nominee for the office with the proper filing officer when the office is a magistrate office, county office or legislative district office where the district is entirely within the boundaries of a single county.

Section 1-9-1. Secretary of state; duties; voting system defined.

A. The secretary of state shall study, examine and certify all voting systems used in elections for public office in New Mexico. The secretary of state shall maintain a current list of certified voting systems and copies of filed testing and evaluation reports accessible by the public on the secretary of state’s web site. Only voting systems certified by the secretary of state and acquired pursuant to a competitive bid process in accordance with the provisions of the Procurement Code [13-1-28 to 13-1-199 NMSA 1978] shall be used in any election for public office in New Mexico.

B. As used in Chapter 1, Article 9 NMSA 1978, “voting system” means a combination of mechanical, electromechanical or electronic equipment, including the software and firmware required to program and control the equipment, that is used to cast and count votes, and also including any type of system that is designed to print or to mark ballots at a polling location; equipment that is not an integral part of a voting system but that can be used as an adjunct to it is considered to be a component of the system.

Section 1-9-4.1. Repealed.

Section 1-9-4.2. Recompiled.

Section 1-9-5. Requirement to use voting systems; sufficient check-in stations and voting booths.

A. Certified voting systems shall be used in all polling locations in all statewide elections.

B. The secretary of state shall provide to the county clerk of each county at least one optical scan tabulator for use in each polling location in the general and primary elections. At the request of a county clerk, the secretary of state shall provide additional optical scan tabulators for use in a polling place to accommodate the anticipated number of voters in that polling place and to preserve the secrecy of the ballot. The request shall be made no later than the first Monday in August of each odd-numbered year.

C. The secretary of state shall provide to the county clerk of each county a sufficient number of check-in stations for use in each polling location in the primary and general elections when electronic rosters or their equivalents are used. The number of check-in stations at a polling location shall be capable of accommodating the number of voters who appeared to vote in person on election day from the precincts represented in a consolidated precinct in the same election held four years earlier or the number of voters who actually voted in that polling location four years earlier, whichever is greater; provided that no polling location shall be provided fewer than two check-in stations. No later than the last Tuesday in June of each odd-numbered year, the secretary of state shall determine how many voters a check-in station can accommodate in a day and develop a formula so that a check-in station is in use no more than seventy-five percent of the time. No later than the first Monday in August of the odd-numbered year, the county clerk in each county shall provide to the secretary of state the number of check-in stations required per polling location based on the formula provided by the secretary of state. Nothing in this section prohibits the board of county commissioners from acquiring additional check-in stations for use in an election, in addition to those provided by the secretary of state.

D. The county clerk shall ensure that an adequate number of voting booths are provided to ensure that voters in each polling location may cast their ballots in secret.

Section 1-9-6. Voting systems; use in other elections.

A. The county clerk may provide for the use of voting systems in other elections or for educational purposes; provided, however, that the county clerk shall make available:

1. to the school district for use in the school district election, a sufficient number of voting systems necessary to conduct the election in those polling places located within that county; and

2. to a municipality located in the county, a sufficient number of voting systems to conduct the municipal election.

B. The county clerk shall schedule the use of the voting systems.

Section 1-9-7. Voting systems; acquisition.

A. The secretary of state shall provide to the county clerk of each county a sufficient number of voting systems as required by the Election Code for the conduct of primary and general elections.

B. When authorized by the state board of finance, the board of county commissioners may acquire new or previously owned voting systems. No less than ninety days prior to each primary and general election, the board of county commissioners of each county may make application to the state board of finance for any additional voting systems to be acquired by a county in excess of the number of voting systems required by the Election Code for the conduct of primary and general elections.

C. The additional voting systems shall be of a type certified by the secretary of state. They shall be purchased by the state board of finance. Unless paid in full by the county at the time of purchase, the cost of the voting systems, including all transportation costs, shall be paid out of the voting system revolving fund. The state board of finance shall cause to be delivered to each county clerk the additional voting systems.

D. Except for intercounty acquisitions of equipment approved by the secretary of state, a previously owned voting system shall have a warranty equal to the warranty required of a new voting system.

Section 1-9-7.1. Voting system; use of paper ballot; access for blind or visually impaired voters.

A. All voting systems used in elections covered by the Election Code shall use a paper ballot on which the voter physically or electronically marks the voter’s choices on the ballot itself.

B. The secretary of state shall purchase the paper ballots for all counties to use for primary and general elections. If a system designed to print ballots at a polling location is certified and the voting system certification committee finds that its use in a polling place would result in cost savings, the secretary of state shall acquire such systems and paper ballot stock in lieu of fully preprinted paper ballots for those polling places where cost savings would be realized.

C. The paper ballot shall be used in a recount proceeding, and in case of a discrepancy, the paper ballot shall be considered the true and correct record of the voter’s choices.

D. The secretary of state shall establish by rule procedures to enable blind or visually impaired voters to independently mark a paper ballot using nonvisual access or low vision access technology, whether voting in a polling place or by absentee ballot.

Section 1-9-7.2. Voting systems; testing of previously certified systems.

The secretary of state may voluntarily test and certify voting systems without an application by the manufacturer if the system has been previously certified by the United States election assistance commission. Tests and inspections conducted pursuant to this section shall follow the
procedures in Section 1-9-14 NMSA 1978; provided, however, if the manufacturer has not applied for certification of that voting system, the manufacturer shall not be required to pay for the costs of testing and certification.

Section 1-9-7.3. Voting systems records.

For each certified voting system purchased in 2006 and after, including any separate component, the secretary of state shall maintain records of the voting system and any component, including:

Tests and inspections conducted pursuant to this section shall begin no later than June 1 and shall follow the procedures in Section 1-9-14 NMSA 1978.

B. If at any time the secretary of state becomes aware that a voting system certified for use in this state does not comply with all requirements in the Election Code [Chapter 1 NMSA 1978] or meet federal election standards, the secretary of state shall undertake an investigation to determine if the voting system should continue to be certified for use in the state. Tests and inspections conducted pursuant to this section shall commence upon the order of the secretary of state and shall follow the procedures in Section 1-9-14 NMSA 1978. A voting system that does not comply with all requirements in the Election Code and the most recent voluntary voting system guidelines adopted by the United States election assistance commission shall be decertified for use in this state.

B. Voting systems shall be held in the custody of the county that uses the voting systems. All voting systems shall be properly stored pursuant to specifications promulgated by the secretary of state. The board of county commissioners shall be responsible for the costs of properly storing voting systems in custody of the county.

C. The secretary of state may pay from the voting system revolving fund the costs of all hardware, software, firmware, maintenance and support for voting systems, whether state- or county-owned, certified for use in state elections.

D. If the secretary of state becomes aware that state- or county-owned voting systems in the custody of a county are not being stored pursuant to specifications promulgated by the secretary of state, the secretary of state may take action as is deemed appropriate to protect the voting equipment. Such action may include requesting a court to order the county to implement

As used in Sections 1-14-9 through 1-14-12 NMSA 1978, "ballots" includes tally sheets, registration certificates, paper ballots, absentee ballots, statements of canvass, absentee ballot applications and absentee ballot registers, but does not include voting machines.

Section 1-14-9. Impounding ballots; application for court order; deposit required.

Any candidate in an election may petition the district court for an order impounding ballots in one or more precincts within which he is a candidate. The action shall be brought in the district court for the county in which the precincts are located. The petition shall state what specific items of ballots are requested to be impounded. History: 1953 Comp., § 3-14-16.2, enacted by Laws 1971, ch. 249, § 3.

Section 1-14-11. Impoundment; subsequent orders; access; termination of order.

A. The party petitioning the court for the original order of impoundment may by motion to the court request an order allowing the party or his attorney access to and inspection of any items impounded. The court shall enter its order allowing access and inspection under conditions set by the court that will assure adequate safeguarding of the impounded items. The order shall, if requested by the petitioner, allow for the copying or reproduction of any items by and at the expense of the petitioner.

B. Ten days from the date of the original order of impoundment or, if an order granting access and inspection has been entered, ten days after that order, the order of impoundment shall automatically terminate unless the court extends the time for good cause shown. The court shall in
all cases order the impoundment of ballots terminated no later than thirty days after the entry of the original order of impoundment.

C. Upon the termination of an impoundment of ballots the items impounded shall be delivered by the district court clerk to the person that would have been entitled to the possession of the items under the Election Code [Chapter 1 NMSA 1978] if there had been no impoundment.

Section 1-14-12. Disposition of deposit in impoundment proceedings.

If the petitioner shall successfully prosecute an election content [contest] or recount proceeding that results in a change in his favor the court shall refund to him the deposit required under Section 1-14-9 NMSA 1978 less any amount expended for guarding and preserving the impounded ballots. A. In any election contest a prima facie showing that the precinct board of any precinct has failed to substantially comply with the provisions of the Election Code [Chapter 1 NMSA 1978] that protect the secrecy and sanctity of the ballot and prescribe duties of the precinct board during the conduct of election, shall cast upon the candidates of the political party having majority representation on the precinct board the burden of proving that no fraud, intimidation, coercion or undue influence was exerted by such members of the precinct board, and that the secrecy and purity of the ballot was safeguarded and no intentional evasion of the substantial requirements of the law was made.

B. Upon failure to make such a showing upon which the court shall so find, the votes of that entire precinct shall be rejected; provided, that no such rejection shall be made where it appears to the court that the members of the precinct board ignored the requirements of the Election Code with the probable interest of procuring the rejection of the entire vote in the precinct.

History: 1953 Comp., § 3-14-17, enacted by Laws 1969, ch. 240, § 342.

Section 1-14-13.1. Repealed.

Section 1-14-13.2. Post-election duties; voting system check.

A. At least ninety days prior to each general election, the secretary of state shall contract with an auditor qualified by the state auditor to audit state agencies to oversee a check on the accuracy of precinct electronic vote tabulators, alternate voting location electronic vote tabulators and absent voter precinct electronic vote tabulators. The voting system check shall be conducted for all federal offices, for governor and for the statewide elective office, other than the office of the governor, for which the winning candidate won by the smallest percentage margin of
all candidates for statewide office in New Mexico. The voting system check is waived for any office for which a recount is conducted.

B. For each selected office, the auditor shall publicly select a random sample of precincts from a pool of all precincts in the state no later than twelve days after the election. The random sample shall be chosen in a process that will ensure, with at least ninety percent probability for the selected offices, that faulty tabulators would be detected if they would change the outcome of the election for a selected office. The auditor shall select precincts starting with the statewide office with the largest winning margin and ending with the precincts for the statewide office with the smallest winning margin and then, in the same manner, select precincts from each congressional district. The size of the random sample for each office shall be determined as provided in Table 1 of this subsection. When a precinct is selected for one office, it shall be used in lieu of selecting a different precinct when selecting precincts for another office in the same congressional district, or for any statewide office. If the winning margin in none of the offices for which a voting system check is required is less than fifteen percent, a voting system check for that general election shall not be required.

The auditor shall notify the appropriate county clerks of the precincts that are to be included in the voting system check upon their selection. The auditor shall direct the appropriate county clerks to open the locked ballot boxes, remove ballots from the selected precincts and compare the original machine count precinct vote totals, including early absentee and absentee by mail machine count vote totals, for candidates for offices subject to the voting system check from the selected precincts for each office with the respective vote totals of a hand recount of the paper ballots from those precincts. The county clerks shall report their results to the auditor within ten days of the notice to conduct the voting system check unless a county clerk is aware of a recount in any office that includes one or more precincts in the county, in which case the county clerk shall report the results of the post-election audit to the auditor within ten days following the conclusion of the recount.

D. Based on the results of the voting system check and any other auditing results, the auditor shall determine the error rate in the sample for each office. If the winning margin decreases and the error rate based on the difference between the vote totals of hand recounts of the paper ballots and the original precinct vote totals exceeds ninety percent of the winning margin for an office, another sample equal in size to the original sample shall be selected and the original precinct vote totals compared to the vote totals of hand recounts. The error rate based on the first and second sample shall be reported, and if it exceeds ninety percent of the winning margin for the office, the state canvassing board shall order that a full hand recount of the ballots for that office be conducted.

E. The auditor shall report the results of the voting system check to the secretary of state upon completion of the voting system check and release the results to the public.

F. Persons designated as county canvass observers may observe the hand recount described in Subsection C of this section. Observers shall comply with the procedures governing county canvass observers as provided in Section 1-2-31 NMSA 1978.

G. If a recount for an office selected for a voting system check is conducted pursuant to the provisions of Chapter 1, Article 14 NMSA 1978, the vote totals from the hand count of ballots for that office in precincts selected for the voting system check may be used in lieu of recounting the same ballots for the recount.

H. All costs of a voting system check or required hand recount shall be paid in the same manner as automatic recounts.

**History:** Laws 2009, ch. 233, § 1; 2015, ch. 145, § 73.
Section 1-14-13.3. General election audit.

The secretary of state shall issue rules for the conduct and procedures of the post-election voting system check, set minimum qualifications for auditors eligible for selection to conduct post-election evaluations of the accuracy of voting systems and approve the contract terms for auditors. The state auditor shall review the rules, qualification standards and contract terms to ensure they meet audit standards.

Section 1-14-14. Recounts; rechecks; application.

A. Whenever any candidate believes that any error or fraud has been committed by any precinct board in counting or tallying the ballots, in the verification of the votes cast on the voting machines or in the certifying of the results of any election whereby the results of the election in the precinct have not been correctly determined, declared or certified, the candidate, within six days after completion of the canvass by the proper canvassing board, may have a recount of the ballots, or a recheck of the votes shown on the voting machines, that were cast in the precinct.

B. In the case of any office for which the state canvassing board issues a certificate of nomination or election, application for recount or recheck shall be filed with the secretary of state.

C. In the case of any office for which the county canvassing board or secretary of state issues a certificate of nomination or election, application for recount or recheck shall be filed with the district judge for the county in which the applicant resides.

Section 1-14-15. Recounts; rechecks; cost of proceedings.

A. An applicant for a recount shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of a recount for each precinct for which a recount is demanded. An applicant for a recheck shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of the recheck for each voting machine to be rechecked. The state canvassing board shall determine the estimated actual cost of a recount per precinct and a recheck per voting machine no later than March 15 of even-numbered years. The secretary of state shall post the recount and recheck cost determinations on the secretary of state's web site when the state canvassing board issues its cost determinations.

B. The deposit or surety bond shall be security for the payment of the costs and expenses of the recount or recheck in case the results of the recount or recheck are not sufficient to change the results of the election.

C. If it appears that error or fraud sufficient to change the winner of the election has been committed, the costs and expenses of the recount or recheck shall be paid by the state upon warrant issued by the secretary of finance and administration supported by a voucher of the secretary of state, or shall be paid by the county upon warrant of the county clerk from the general fund of the county, as the case may be.
D. If no error or fraud appears to be sufficient to change the winner, the costs and expenses for the recount or recheck shall be paid by the applicant. Costs shall consist of any docket fees, mileage of the sheriff in serving summons and fees and mileage of precinct board members, at the same rates allowed witnesses in civil actions. If error or fraud has been committed by a precinct board, the board members shall not be entitled to such mileage or fees.

Section 1-14-16. Recount or recheck proceedings.

A. Immediately after filing of the application for recount or recheck, or notice of an automatic recount, the appropriate canvassing board shall issue an order to the county clerk of each county where a precinct specified in the application or notice is located commanding the county clerk to convene a recount precinct board at the county seat on a day specified in the order, which date shall not be more than ten days after the filing of the application for a recount or recheck or notice of an automatic recount.

B. Upon receipt of the order, the county clerk shall appoint a recount precinct board pursuant to the provisions of Section 1-2-12 NMSA 1978 and shall send notices of the names of the recount precinct board members and the date fixed for the recount or recheck to the district judge for the county and the county chair of each of the political parties that participated in the election for the office in question. The county clerk shall keep a log of how each person was notified and confirmation that the notice was received. Presiding judges and election judges on the recount precinct board shall be appointed from among those persons who served as precinct board members in the most recent election.

C. The recount precinct board, district judge and county clerk shall meet on the date fixed for the recount or recheck, and the ballot boxes and ballot containers or voting machines of the precincts involved in the recount or recheck shall be opened. The recount precinct board shall recount and retally the ballots, or recheck the votes cast on the voting machines, as the case may be, for the office in question in the presence of the county clerk, district judge and any other person who may desire to be present.

D. After completion of the recount or recheck, the recount precinct board shall replace the ballots in the ballot boxes and ballot containers and lock them, or the voting machines shall be locked and resealed, and the precinct board shall certify to the proper canvassing board the results of the recount or recheck. The district judge and the county clerk shall also certify that the recount or recheck was made in their presence.

Section 1-14-17. Repealed.

Section 1-14-18. Recount; recheck; recanvass by canvassing boards.

A. Immediately upon receipt of the certificate of recount or recheck from all the recount precinct boards making a recount or recheck, the proper canvassing board shall meet and recanvass the returns for the office in question.

B. In making the recanvass, the proper canvassing board shall be bound by the certificates of recount or recheck from the recount precinct boards instead of the original returns from the precinct boards.

C. After the recanvass, if it appears that fraud or error has been committed sufficient to change the winner of the election, then the proper canvassing board shall revoke the certificate of nomination or election already issued to any person for that office and shall issue a certificate of nomination or election in favor of the person receiving a plurality of the votes cast at the election as shown by the recount or recheck, and such certificate shall supersede all others and entitle the holder to the same rights and privileges as if such certificate had been originally issued by the canvassing board.

Section 1-14-19. Recount; recheck; candidate for district judge.

If a recount or recheck is demanded on the election of a district judge and the judge of the district was a candidate for partisan office at the election, the chief justice of the supreme court shall designate a district judge who shall act in such proceedings.

Section 1-14-20. Recounts; rechecks; appointment of a special master.

If the judge of the district court for the county, or any judge designated in his place, cannot be present at any recount or recheck on the day set, he shall appoint a member of the bar to act for him.

Section 1-14-21. Recounts; rechecks; mandamus.

If the state canvassing board, the county canvassing board, secretary of state, county clerk or any member of a precinct board fails or refuses to do or perform any of the acts required of them pertaining to recounts or rechecks, the applicant for recount or recheck may apply to any district court, the court of appeals or the supreme court of New Mexico for writ of mandamus to compel the performance of the required act and such court shall entertain such application.

Section 1-14-22. Contests and recounts; provisional, absentee and other paper ballots.

The secretary of state shall issue rules governing and allowing procedures for reviewing the qualification of provisional ballot envelopes, absentee and other paper ballots in the case of a
contest or recount of election results. All rejected provisional paper ballot envelopes shall be included in any contest or recount of election results, and a review of the qualification of provisional ballot envelopes shall occur in a recount.

### Section 1-14-23. Recount procedures.

A. To ensure the accuracy of electronic vote tabulating systems, in a recount, the votes from a random selection of ballots shall be tallied by hand, and the votes from the same ballots shall be tabulated by the electronic vote tabulating systems to be used in the recount. For statewide and federal office, the number of ballots to be tallied and tabulated shall be equal to the greater of one hundred, or two percent, of the ballots cast in each county. For all other offices, the number of ballots to be tallied and tabulated shall be equal to the greater of one hundred, or five percent, of the ballots cast for the office, distributed by county where applicable. If more than one electronic vote tabulating system is to be used in a county, the ballots to be recounted shall be divided among the electronic vote tabulating systems to be used, and the above process shall be performed on each electronic vote tabulating system based on the number of votes to be recounted on each individual electronic vote tabulating system.

B. If the results of the hand tally and the electronic vote tabulating system tabulation do not differ, the remaining ballots shall be recounted using that electronic vote tabulating system. If the results of the hand tally and the electronic vote tabulating system differ, the electronic vote tabulating system shall not be used in the recount and the remaining ballots shall be recounted by hand or on a different electronic vote tabulating system in which the results did not differ.

C. When using an electronic vote tabulating system for a recount, a county clerk may permit a visual inspection of the ballots prior to tabulation by the optical scan tabulating system for the purpose of permitting a representative of a candidate to identify individual ballots to be selected for hand tally by the precinct board.

**History:** Laws 2007, ch. 337, § 2; 2015, ch. 145, § 77.

### Section 1-14-24. Automatic recounts; elections for state and federal offices; procedures.

A. An automatic recount of the vote is required when the canvass of returns in a primary or general election for a federal or statewide office, or a judicial office in a county with more than two hundred thousand registered qualified electors, indicates that the margin between the two candidates receiving the greatest number of votes for the office is less than one-fourth of one percent of the total votes cast for that office in that election. An automatic recount of the vote is required when the canvass of returns in a primary or general election for any other state office indicates that the margin between the two candidates receiving the greatest number of votes for the office is less than one percent of the total votes cast for that office in that election.

B. For an office for which ballots were cast in more than one county, the secretary of state shall file notice with the state canvassing board upon the completion of the state canvass that an automatic recount is required, and the state canvassing board shall order a recount of the ballots for the specified office. For an office in which ballots were cast solely within one county, the secretary of state shall file notice with the state canvassing board within seven days after receiving notice from the county clerk following the completion of the county canvass that an automatic
recount is required, and the state canvassing board shall order a recount of the ballots for the specified office.

C. Automatic recounts shall be conducted pursuant to the recount procedures established in Sections 1-14-16 and 1-14-18 through 1-14-23 NMSA 1978.

**Section 1-14-25. Automatic recounts; expenses.**

The secretary of state shall reimburse the counties for the costs of conducting an automatic recount with money appropriated to the secretary. In the event that current year appropriations to the secretary of state do not cover the cost of an automatic recount, the secretary may apply to the state board of finance for an emergency grant to cover those costs pursuant to Section 6-1-2 NMSA 1978.

A written notice of final action shall be sent by certified mail.

D. Upon receipt of the notice of final action, the person against whom the penalty has been imposed may protest the secretary of state's determination, including an advisory opinion, by submitting on a prescribed form a written request for binding arbitration to the secretary of state within ten working days of the date of the notice of final action. Neither the secretary of state nor a person subject to the Campaign Reporting Act, Lobbyist Regulation Act [Chapter 2, Article 11 NMSA 1978] or Financial Disclosure Act [10-16A-1 through 10-16A-8 NMSA 1978] may serve as an arbitrator.
Arbitrators shall be considered to be independent contractors, not public officers or employees, and shall not be paid per diem and mileage.

F. The arbitrator shall conduct the hearing within thirty days of the request for arbitration. The arbitrator may impose any penalty the secretary of state is authorized to impose. The arbitrator shall state the reasons for his decision in a written document that shall be a public record. The decision shall be final and binding. The decision shall be issued and filed with the secretary of state within thirty days of the conclusion of the hearing. Unless otherwise provided for in this section or by rule or regulation adopted by the secretary of state, the procedures for the arbitration shall be governed by the Uniform Arbitration Act [Chapter 44, Article 7A NMSA 1978]. No arbitrator shall be subject to liability for actions taken pursuant to this section.

G. The secretary of state may refer a matter to the attorney general or a district attorney for a civil injunctive or other appropriate order or for criminal enforcement.

Section 1-19-34.5. Presumptions; civil action.

A. For purposes of a civil action, it shall be presumed that a public official or a candidate for public office subject to the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978] has authorized and approved each solicitation for campaign contributions made by his campaign committee or a person authorized by the candidate to solicit campaign contributions on his behalf.

B. For purposes of a civil action, it shall be presumed that a candidate who seeks election to a regulatory office, as described in Section 1-19-34.2 NMSA 1978, has advised his campaign committee and all persons authorized by the candidate to solicit campaign contributions on his behalf that it is unlawful to solicit contributions from an entity or its officers or employees or a person that is directly regulated by the office the candidate seeks.

Section 1-19-34.6. Civil penalties.

A. If the secretary of state reasonably believes that a person committed, or is about to commit, a violation of the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978], the secretary of state shall refer the matter to the attorney general or a district attorney for enforcement.

B. The attorney general or district attorney may institute a civil action in district court for any violation of the Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution. An action for relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including a civil penalty of two hundred fifty dollars ($250) for each violation not to exceed five thousand dollars ($5,000), and forfeiture of any contribution received as a result of an unlawful solicitation or unlawful contribution. Each unlawful solicitation and each unlawful contribution made or accepted shall be deemed a separate violation of the Campaign Reporting Act.

C. The attorney general or district attorney may institute a civil action in district court if a violation has occurred or to prevent a violation of any provision of the Campaign Reporting Act other than that specified in Subsection B of this section. Relief may include a permanent or
temporary injunction, a restraining order or any other appropriate order, including an order for a civil penalty of fifty dollars ($50.00) for each violation not to exceed five thousand dollars ($5,000).

(b) another political committee in an amount that will cause that political committee's total contributions to the political committee to exceed five thousand dollars ($5,000) during a primary election or five thousand dollars ($5,000) during a general election.

B. All contributions made by a person to a candidate, either directly or indirectly, including contributions that are in any way earmarked or otherwise directed through another person to a candidate, shall be treated as contributions from the person to that candidate.

C. A person, including a political committee, shall not knowingly accept or solicit a contribution, directly or indirectly, including a contribution earmarked or otherwise directed or coordinated through another person, including a political committee, that violates the contribution limits provided for in this section.

D. On the day after each general election, the contribution amounts provided in Subsection A of this section shall be increased by the percentage of the preceding two calendar year's increase of the consumer price index for all urban consumers, United States city average for all items, published by the United States department of labor. The amount of the increase shall be rounded to the nearest multiple of one hundred dollars ($100). A. All money distributed to a certified candidate shall be used for that candidate's campaign-related purposes in the election cycle in which the money was distributed.

B. A certified candidate shall return to the fund any amount that is unspent or unencumbered at the time that person ceases to be a candidate before a primary or general election for which the fund money was distributed.

C. A certified candidate shall limit total campaign expenditures and debts to the amount of money distributed to that candidate from the fund. A certified candidate shall not accept contributions or loans from any other source except the certified candidate's political party, as specified in Section 1-19A-8 NMSA 1978.

D. A certified candidate shall return to the secretary, within thirty days after the primary election, any amount that is unspent or unencumbered by the date of the primary election for direct deposit into the fund.

C. Applicant candidates shall file qualifying contributions with the secretary during the qualifying period according to procedures developed by the secretary. In developing these procedures, the secretary shall use existing campaign reporting procedures and deadlines whenever practical.

D. Certified candidates shall report expenditures according to the campaign reporting requirements specified in the Election Code [Chapter 1 NMSA 1978].

E. In addition to the campaign contribution and expenditure reports specified in the Election Code, all noncertified candidates who have as an opponent a certified candidate shall report to the secretary ten days before the primary and general elections the amount of money spent by that noncertified candidate. This report shall include all previously unreported transactions through 5:00 p.m. two days before the report is due.

F. A person or political committee that makes expenditures to influence a race involving a certified candidate shall report to the secretary the amount that person or political committee has spent. These reports shall include all previously unreported transactions through 5:00 p.m. two days before the report is due, and shall be submitted as follows:

(1) for the primary election, by 5:00 p.m. on the second Monday in May, by 5:00 p.m. on the eleventh day before the election and by 5:00 p.m. on the Thursday before the election; and

(2) for the general election, by 5:00 p.m. the first Tuesday in October, by 5:00 p.m. on the eleventh day before the election and by 5:00 p.m. on the Thursday before the election.

Section 1-19A-10. Public election fund; creation; use.

A. There is created in the state treasury the "public election fund" solely for the purposes of:

1. financing the election campaigns of certified candidates for covered offices;
2. paying administrative and enforcement costs of the Voter Action Act; and
3. carrying out all other specified provisions of the Voter Action Act.

B. The state treasurer shall invest the funds as other state funds are invested, and all income derived from the fund shall be credited directly to the fund. Remaining balances at the end of a fiscal year shall remain in the election fund and not revert to the general fund.

C. Money received from the following sources shall be deposited directly into the fund:

1. qualifying contributions that have been submitted to the secretary;
2. any recurring balance of unspent fund money distributed to a certified candidate who does not remain a candidate through the primary or general election period for which the money was distributed;
3. money that remains unspent or unencumbered by a certified candidate following the date of the primary election;
4. money that remains unspent or unencumbered by a certified candidate following the date of the general election;
5. unspent seed money that cannot be used for any other purpose;
6. money distributed to the fund from funds received pursuant to the Uniform Unclaimed Property Act (1995) [Chapter 7, Article 8A NMSA 1978]; and
7. money appropriated by the legislature.

D. A subaccount shall be established in the fund, and money in the subaccount shall only be used to pay the costs of carrying out the provisions of the Voter Action Act related to public regulation commission elections.

E. Two hundred thousand dollars ($200,000) per year shall be collected and deposited in the subaccount for public regulation commission elections as follows:

1. one hundred thousand dollars ($100,000) from inspection and supervision fees collected pursuant to Section 62-8-8 NMSA 1978; and
2. one hundred thousand dollars ($100,000) from utility and carrier inspection fees collected pursuant to Section 63-7-20 NMSA 1978.

Section 1-19A-11. Determination of fund amount.

A. By January 1, 2007, and every two years thereafter, the secretary shall prepare and provide to the legislature a report documenting, evaluating and making recommendations relating to the administration, implementation and enforcement of the Voter Action Act.
B. In the report, the secretary shall set out the revenues received to date, the expected costs to the fund for the next election cycle and the amount of the annual appropriation from the legislature that will be required to meet this need.

Section 1-19A-12. Timing of fund distribution.

A. Beginning with the election cycle that ends with the general election in 2006, the secretary shall distribute money from the fund to certified candidates.

B. For a primary election certified candidate, the secretary shall distribute the amount due to that certified candidate for that covered office within one week of certification.

C. For a candidate certified for the general election, the secretary shall distribute the amount due to that certified candidate for that covered office within one week after the primary election or, for a minor party or independent candidate, within one week after certification of the candidate.

A. By August 1, 2007, the secretary shall determine the amount of money to be distributed to each certified candidate for the election cycle ending with the general election in 2008, based on the type of election and the provisions of Subsections B through F of this section.

B. For contested primary elections, the amount of money to be distributed to a certified candidate is equal to the following:

(1) for the office of public regulation commissioner, twenty-five cents ($.25) for each voter of the candidate's party in the district of the office for which the candidate is running; and

(2) for the office of justice of the supreme court and judge of the court of appeals, fifteen cents ($.15) for each voter of the candidate's party in the state.

C. For uncontested primary elections, the amount of money to be distributed to a certified candidate is equal to fifty percent of the amount specified in Subsection B of this section.

D. For contested general elections, the amount of money to be distributed to a certified candidate is equal to the following:

(1) for the office of public regulation commissioner, twenty-five cents ($.25) for each voter in the district of the office for which the candidate is running; and

(2) for the office of justice of the supreme court and judge of the court of appeals, fifteen cents ($.15) for each voter in the state.

E. For uncontested general elections, except as provided in Subsection I of this section, the amount of money to be distributed to a certified candidate is equal to fifty percent of the amount specified in Subsection D of this section. If a general election race that is initially uncontested later becomes contested because of the qualification of an independent or minor party candidate to appear on the ballot for that race, an additional amount of money shall be distributed
to the certified candidate to make that candidate's total distribution amount equal to the amount distributed pursuant to Subsection D of this section.

F. Once the certification for candidates for the primary election has been completed, the secretary shall calculate the total amount of money to be distributed in the primary election cycle, based on the number of certified candidates and the allocations specified in this section. The secretary shall increase the total amount by twenty percent to provide funds for additional matching funds in the primary election. The secretary shall also prepare an estimate of the total amount of money that might be distributed in the general election cycle. This estimate shall be increased by twenty percent to provide funds for additional matching funds in the general election. If the total amount to be distributed in the primary election cycle, plus the added twenty percent and the estimated total amount to be distributed in the general election cycle, plus the added twenty percent, all taken together, exceed the amount expected to be available in the fund, the secretary shall allocate the amount available between the primary and general election cycles. This allocation shall be based on the ratio of the two total amounts.

G. If the allocation specified in Subsection F of this section is greater than the total amount available for distribution, then the amounts to be distributed to individual candidates, specified in Subsections B through E of this section, shall each be reduced by the same percentage as the reduction by which the total amount needed has been reduced relative to the total amount available.

H. At least every two years after January 1, 2007, the secretary shall evaluate and modify as necessary the dollar values originally determined by Subsections B through E of this section and shall consider and account for inflation in the evaluations.

I. No money shall be distributed to candidates in judicial retention elections. No money shall be distributed to judicial candidates in uncontested general elections, provided that if a general election race that is initially uncontested later becomes contested, the certified judicial candidate shall receive a distribution in accordance with Subsection D of this section.

Section 1-19A-14. Matching funds.

When a certified or noncertified candidate has one or more opponents who are certified candidates and the candidate's campaign finance report or group of reports shows that the sum of the candidate's expenditures and obligations made, or funds raised or borrowed, whichever is greater, alone or in conjunction with expenditures made independently of the candidate to influence the election on behalf of the candidate, exceeds the amount distributed to an opposing certified candidate, the secretary shall issue immediately to any opposing certified candidate an additional amount equivalent to the excess amount reported by the opposing candidate. Total matching funds to a certified candidate in an election are limited to twice the amount originally distributed to that candidate pursuant to Section 1-19A-13 NMSA 1978.

Section 1-19A-15. Administration; secretary of state; duties.

A. The secretary shall adopt rules to ensure effective administration of the Voter Action Act.

B. The rules shall include procedures for:
   (1) qualifications, certification and disbursement of revenues and return of unspent fund revenues;
   (2) obtaining qualifying contributions;
   (3) certification of candidates;
   (4) collection of revenues; and
   (5) return of fund disbursements and other money to the fund.

Section 1-19A-16. Appeals.

The procedure for challenging a certification decision by the secretary is as follows:

A. a person aggrieved by a certification decision or a decision regarding the distribution of matching funds may appeal to the secretary within three days of the decision. The appeal shall be in writing and shall set forth the reasons for appeal;

B. within five days after an appeal is properly made, and after due notice is given to the parties in dispute, the secretary shall hold a hearing whereby:
   (1) the appellant has the burden of providing evidence to demonstrate that the secretary's decision was improper; and
   (2) the secretary shall rule on the appeal within three days after the completion of the hearing;

C. the parties in dispute may appeal the decision of the secretary by commencing an action in district court; and

D. certified candidates whose certification is revoked on appeal shall return to the secretary any unspent money distributed from the fund. If the secretary or court finds that an appeal was made frivolously or to result in delay or hardship, the secretary or court may sanction the moving party by requiring the party to pay costs of the administrative hearing, the court hearing and the opposing parties.

History: Laws 2003, ch. 14, § 16.

Section 1-19A-17. Penalties.

A. In addition to other penalties that may be applicable, a person who violates a provision of the Voter Action Act is subject to a civil penalty of up to ten thousand dollars ($10,000) per violation. In addition to a fine, a certified candidate found in violation of that act may be required to return to the fund all amounts distributed to the candidate from the fund. If the secretary makes a determination that a violation of that act has occurred, the secretary shall impose a fine or transmit the finding to the attorney general for prosecution. In determining whether a
certified candidate is in violation of the expenditure limits of that act, the secretary may consider as a mitigating factor any circumstances out of the candidate's control.

B. A person who willfully or knowingly violates the provisions of the Voter Action Act or rules of the secretary or knowingly makes a false statement in a report required by that act is guilty of a fourth degree felony and, if he is a certified candidate, shall return to the fund all money distributed to that candidate.

A. The secretary of state may initiate investigations to determine whether any provision of the School District Campaign Reporting Act has been violated. Additionally, any person who believes that a provision of that act has been violated may file a written complaint with the secretary of state any time prior to ninety days after an election, except that no complaints from the public may be filed within eight days prior to an election. The secretary of state may adopt procedures for issuing advisory opinions and processing complaints and notifications of violations.

B. The secretary of state shall at all times seek to ensure voluntary compliance with the provisions of the School District Campaign Reporting Act. If the secretary of state determines that a provision of that act for which a penalty may be imposed has been violated, the secretary of state shall by written notice set forth the violation and the fine imposed and inform the reporting individual that the individual has ten working days from the date of the letter to correct the matter and to provide a written explanation, under penalty of perjury, stating any reason why the violation occurred. If a timely explanation is filed and the secretary of state determines that good cause exists to waive the fine imposed, the secretary of state may by a written notice of final action partially or fully waive any fine imposed for any late, incomplete or false report or statement of exception. A written notice of final action shall be sent by certified mail.

C. Upon receipt of the notice of final action, the person against whom the penalty has been imposed may protest the secretary of state's determination by submitting on a prescribed form a written request for binding arbitration to the secretary of state within ten working days of the date of the notice of final action. Any fine imposed shall be due and payable within ten working days of the date of notice of final action. No additional fine shall accrue pending the issuance of the arbitration decision. Fines paid pursuant to a notice of final action that are subsequently reduced or dismissed shall be reimbursed with interest within ten working days after the filing of the arbitration decision with the secretary of state. Interest on the reduced or dismissed portion of the fine shall be the same as the rate of interest earned by the secretary of state's escrow account to be established by the department of finance and administration.

D. An arbitration hearing shall be conducted by a single arbitrator selected within ten days by the person against whom the penalty has been imposed from a list of five arbitrators provided by the secretary of state. Neither the secretary of state nor a person subject to the School District Campaign Reporting Act, Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978], Lobbyist Regulation Act [Chapter 2, Article 11 NMSA 1978] or Financial Disclosure Act [10-16A-1 through 10-16A-8 NMSA 1978] may serve as an arbitrator. Arbitrators shall be considered to be independent contractors, not public officers or employees, and shall not be paid per diem and mileage.

E. The arbitrator shall conduct the hearing within thirty days of the request for arbitration. The arbitrator may impose any penalty the secretary of state is authorized to impose.
The arbitrator shall state the reasons for the arbitrator's decision in a written document that shall be a public record. The decision shall be final and binding. The decision shall be issued and filed with the secretary of state within thirty days of the conclusion of the hearing. Unless otherwise provided for in this section or by rule or regulation adopted by the secretary of state, the procedures for the arbitration shall be governed by the Uniform Arbitration Act [Chapter 44, Article 7A NMSA 1978]. No arbitrator shall be subject to liability for actions taken pursuant to this section.

F. The secretary of state may refer a matter to the attorney general or a district attorney for a civil injunction or other appropriate order or for criminal enforcement.

Section 1-22A-7. Reports and statements; late filing penalty; failure to file.

A. If a statement of no activity or a report of expenditures and contributions contains false or incomplete information or is filed after any deadline imposed by the School District Campaign Reporting Act, the candidate, in addition to any other penalties or remedies prescribed by the Election Code, shall be liable for and shall pay to the secretary of state fifty dollars ($50.00) per day for each regular working day after the time required by the School District Campaign Reporting Act for the filing of statements of no activity or reports of expenditures and contributions until the complete or true statement or report is filed, up to a maximum of five thousand dollars ($5,000).

B. All sums collected for the penalty shall be deposited in the general fund for credit to the current school fund. A report or statement of exception shall be deemed timely filed only if it is received by the secretary of state by the date and time prescribed by law.

C. Any candidate who fails or refuses to file a report of expenditures and contributions or statement of no activity or to pay a penalty imposed by the secretary of state as required by the School District Campaign Reporting Act shall not, in addition to any other penalties provided by law:

1. have the candidate's name printed upon the ballot if the violation occurs before or through the final date for the withdrawal of candidates; or

2. be issued a certificate of election, if the violation occurs after the final date for withdrawal of candidates or after the election, until the candidate satisfies all reporting requirements of the School District Campaign Reporting Act and pays all penalties owed.

D. Any candidate who loses an election and who failed or refused to file a report of expenditures and contributions or a statement of no activity or to pay a penalty imposed by the secretary of state as required by the School District Campaign Reporting Act shall not be, in addition to any other penalties provided by law, permitted to file a declaration of candidacy or nominating petition for any future election until the candidate satisfies all reporting requirements of that act and pays all penalties owed.

Section 1-22A-8. Civil penalties.

A. If the secretary of state reasonably believes that a person committed, or is about to commit, a violation of the School District Campaign Reporting Act, the secretary of state shall refer the matter to the attorney general or a district attorney for enforcement.

B. The attorney general or district attorney may institute a civil action in district court for any violation of the School District Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution. An action for relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including a civil penalty of two hundred fifty dollars ($250) for each violation not to exceed five thousand dollars ($5,000), and forfeiture of any contribution received as a result of an unlawful solicitation or unlawful contribution. Each unlawful solicitation and each unlawful contribution made or accepted shall be deemed a separate violation of the Campaign Reporting Act [1-19-25 through 1-19-36 NMSA 1978].

C. The attorney general or district attorney may institute a civil action in district court if a violation has occurred or to prevent a violation of any provision of the School District Campaign Reporting Act other than that specified in Subsection B of this section. Relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including an order for a civil penalty of fifty dollars ($50.00) for each violation not to exceed five thousand dollars ($5,000).

B. The School District Campaign Reporting Act may be enforced by the attorney general or the district attorney in the county where the candidate resides or where the violation occurred.
