## Conference Information

Join us at the **2017 New Mexico Aviation Conference in Ruidoso** for a great educational program and many networking, exhibits and sponsorship opportunities.

The Airport Managers Golf Tournament will kick-off the conference at the Links golf course (site of the old Ruidoso Airport!) with an 11:00 AM shot-gun start Wednesday May 10th. There are Golf Tournament sponsorship opportunities and registration information on the attached form.

The Airport Managers Association will hold its meeting at 5PM that afternoon followed by a welcome reception and Barbecue dinner with our sponsors and exhibitors at the Ruidoso Convention Center.

ARFF classes will be offered on Wednesday afternoon and repeated on Thursday afternoon. Firefighters can attend the ARFF class only at a reduced fee.

On Thursday our keynote speaker will be retired USAF Colonel Joseph William Kittinger II with many achievements including his 1960 world record for the longest skydive from a height over 31 Km. He was also the first man to make a solo crossing of the Atlantic in a gas balloon. You

don't want to miss this presentation! Many more valuable training and workshops are in the works.

Thursday evening will feature a reception on the patio at The Lodge.
