

TO: ALL MUNICIPAL OFFICIALS

FROM: William F. Fulginiti, NMML Executive Director

The New Mexico Municipal League has scheduled its annual series of District Meetings. These meetings will be held within the eight League Districts as established by the League Board of Directors. For information and to register, visit www.nmml.org.

The main purpose of these meetings is to report to you on the 2017 Legislative Session and new laws affecting municipalities. The agenda also includes a report on the New Mexico Self-Insurers' Fund, and elections of League Board District Directors in odd-numbered Districts where the Director's two-year term expires. This is also an opportunity for you to visit with other municipal officials in your area.

We urge you to attend the District Meeting in your area. [Don't know your District #, click here.](#) **Encourage your newly-elected officials to attend.**
