2020 NEWLY ELECTED OFFICIALS INSTITUTE

Saturday, March 21st
Crowne Plaza Albuquerque

Get off to a good start! As a follow-up to the Municipal Officer Election coming up on March 3rd, I urge all newly elected officials to attend The Basics of New Mexico Municipal Government: Information Essential for Your Civic Duty. This program will cover the League’s most frequently requested training topics.

Although this Institute is geared towards the newly elected officials, incumbent and appointed officials who would like a refresher are welcome to attend. Therefore, please register not only newly elected officials but also any interested incumbent officials.

Feel free to make this information available to your Newly Elected Officials along with incumbent officials, and encourage their attendance.

Important Note: Additional educational opportunities for all Mayors, Governing Body members and Judges are available through our Municipal Officials Leadership Institute (MOLI). Please provide the MOLI promotional flyer to your current and Newly Elected Officials. The flyer will introduce your Newly Elected Officials to this educational certification program. Access this flyer from the NMML website under Events & Training/Newly Elected Officials Training.

We look forward to seeing you next month at the Newly Elected Officials Institute.
